Mr. Jack Anderson

Dear Jack:

We are hearing many comments about your talk yesterday.

You will recall that in your conversation with Admiral Turner before your appearance you discussed his position vis-a-vis SALT. Enclosed is some additional background which may be helpful. The brief statement is one which we issued early on in response to queries and can be used as a direct quote by Admiral Turner. The other two sheets as you will see are from a question and answer session following his talk before the Overseas Writers on 12 April.

Many thanks again for coming out yesterday afternoon. It was most interesting and entertaining.

Sincerely,

SIGNED
